Regulation Statement

This regulation and the Asset Management Manual (Manual) of The Texas A&M University System (system) establish the standard of accounting for fixed assets.

Reason for Regulation

This regulation establishes the authority for the system's Manual to provide uniform procedures for fixed asset management.

Procedures and Responsibilities

The System Office of Budgets and Accounting sets forth the policies for management of fixed assets within the system and prescribes the duties and functions of selected personnel.

The Manual must be used in conjunction with the State Property Accounting Process User's Guide, hereinafter referred to as the SPA Process User's Guide.

In the event that the Manual is in conflict with the SPA Process User's Guide or other guidelines, the SPA Process User's Guide will prevail.

The system member chief executive officers or designees are responsible for reproducing and distributing the Manual and for implementing, enforcing and supplementing the Manual's provisions.
