

SYSTEM REGULATION

21.99.05 Fixed Asset Management

Approved September 29, 1995

Revised July 06, 2000

Revised October 21, 2005

The Asset Management Manual (manual) issued by the System Office of Budgets and Accounting sets forth the policies for management of fixed assets within the System and prescribes the duties and functions of selected personnel. The manual can be found at <http://www.tamus.edu/assets/files/budgets-acct/pdf/AMM2004.pdf>. CEOs of each System component are responsible for reproducing and distributing the manual and for implementing, enforcing, and supplementing its provisions.
