### Policy Summary

---

The Texas A&M University System (system) has a vital interest in maintaining a healthy and safe environment for its students, faculty, staff and visitors while respecting individual choice. Consistent with these concerns, this policy directs each member to create a rule restricting smoking in its facilities.

### Policy

---

Each member chief executive officer (CEO) must establish, for each system facility under the CEO's control, a rule which restricts smoking within and surrounding such facilities in a manner which protects the health of employees, students and clientele and minimizes air quality concerns relating to those facilities. Each member CEO will submit such rule for approval by the chancellor and the Board of Regents.
