---

### Policy Summary

---

This policy establishes the requirements a member of The Texas A&M University System (system) must follow in order to authorize an affiliated fund-raising organization to charge a fee that will be used to fund the operations of the affiliated fund-raising organization.

### Policy

---

1. The affiliation agreement between a member and an affiliated fund-raising organization may authorize fees charged to the member or fees charged against gifts to the member and/or the affiliated fund-raising organization, provided that the requirements of this section are satisfied. Examples of such fees include a reasonable one-time development fee for all gifts to the member and/or the affiliated fund-raising organization, and a fee charged against an endowment or investment of the member managed by the affiliated fund-raising organization. An affiliation agreement authorizing such fees must include provisions that adequately address the following minimum requirements:
  - (a) the amount of the fee, including all terms and conditions applicable to the collection and use of the fee;
  - (b) the affiliated fund-raising organization's responsibility to regularly report to the member the amount and use of such fees collected by the affiliated fund-raising organization, including any applicable reserve balances;
  - (c) any exceptions to the fees being charged;
  - (d) the amount of the fees must be reviewed and renegotiated at least every five years; and
  - (e) the inclusion of member and/or system ex-officio, non-voting positions on the affiliated fund-raising organization's board.

2. An affiliation agreement authorizing a fee in accordance with this policy must also comply with any additional system requirements, such as those provided by System Policy 60.01, *Relationships with Affiliated Organizations*, and System Regulation 60.01.01, *Association with Affiliated Organizations*.
